

OFFICIAL NOTICE

Sub : Notice is given under Section 19 of the Protection of Plant Varieties and Farmers' Right Act, 2001 read with rule 29 (10) of PPV&FR Rules, 2003 and Regulation 11 of PPV&FR Regulations, 2006

It is hereby clarified that applicants shall submit along with the seed, a certified data on germination test made not more than one month period to the date of submission of seed sample. The data on germination test may be from notified/accredited Seed testing laboratories, laboratories of SAU's and public institute and also from private laboratories.

If the certified data in germinating test report is found to be wrong the Seeds sample shall be rejected summarily.

The other condition given in PVJ volume 2 no -1 & 2 dated : 01.02.2008 remains unchanged.
